day, at 4:30 p. m. except when program ends on Sunday when it will be
given on Saturday.

HUGH ANDERSON OPERATIC
COMPANY
IN "BOHEMIAN GIRL"

Twelve years before Chautauqua and Lyceum audiences at the head of her own company have given Mrs. Wales rare discrimination in suiting the program to the audience. During the Sunday program she will read "The Going of the White Swan," a stirring and pathetic legend of Labrador, in which her power of vivid narration and character delineation find delightful expression. Other members of the Company will contribute appropriate numbers.
